DATES	VENUE	FORMAT	PAPER DEADLINE
July 8–11, 2027	Mallorca, Spain	Hybrid (in person + online)	February 2, 2027

About

The **13th International Conference on Control, Decision and Information Technologies (CoDIT 2027)** will take place in Mallorca, Spain. After the 2026 edition in Bari (600+ participants, 1,080 submitted papers), CoDIT 2027 brings together researchers and practitioners to discuss advances in control, automation, robotics, optimization, decision, cybernetics, artificial intelligence and information technologies.

Scope and topics

Track 1 · Control and Automation
Adaptive, predictive, robust, optimal and learning-based control; robotics and motion planning; fault detection and diagnosis; cyber-physical and networked systems; IoT; power electronics; sustainable automation.

Track 2 · Decision, Optimization and Cybernetics
Decision support; combinatorial, multi-objective, stochastic and robust optimization; scheduling; logistics and supply chains; forecasting; game theory; reliability and risk; reinforcement learning.

Track 3 · Artificial Intelligence and Information Technologies
Machine and deep learning; computer vision; NLP; generative AI and LLMs; cybersecurity; cloud and edge computing; quantum computing; smart grids; blockchain.

Applications: aerospace, healthcare, smart cities, Industry 4.0/5.0, energy, transportation, maritime systems, water.

Papers

Regular papers (original work, English, up to 6 pages, IEEE double-column format, blind peer review) and **Work-in-Progress papers** (up to 5 pages, at most 8 references, 10-minute talk). Accepted and presented papers are published in the proceedings and submitted to IEEE Xplore and other indexing databases.

Special sessions, workshops and tutorials

Special sessions gather 5–6 papers; organizers send a proposal with the Word template of the website. The program also includes keynotes, workshops, tutorials, an industry forum and Women in Engineering activities.

Important dates

- **October 16, 2026** — Submission site opens
- **November 30, 2026** — Special session proposals
- **February 2, 2027** — Paper submission deadline
- **April 27, 2027** — Acceptance notification
